

Praidis, Vermentino Di Sardegna, DOC, 2022

Cantina Castiadas

Founded in 1959, this wine growers association, Cantina Castiadas Societa Cooperativa Agricola, produces wines from grapes grown in the south-eastern part of Sardinia known as Sarrabus. Praidis was the ancient name of the area that is now the present town of Castiadas

Uncertified Organic Wine Producer states they do not use artificial fertilizers, herbicides or pesticides. While we cannot prove the veracity of this, we also have no reason to believe it is not true.
