

Baby Barb

Barbera D'Asti, DOCG, 2019

Cantine Sant'Agata

Cantine Sant'Agata is located in the province of Asti in the heart of Piedmont. The Cavallero family founded the winery in the early 1990's, focusing on the main grape varieties that make the Piedmont area such a big part of Italian wine making.

Barbera is a very important grape in Piedmont, and we think that this fresh young Barbera is a good example of what this wine can be.

Tasting Notes

Untouched by any oak, this is a pure example of what the Barbera grape is all about. Meant to be drunk young, this clean, fresh and fruity wine has just a hint of acidity.
