

# MUTRO', ROSSO SUPERIORE, MELISSA, DOC, 2011

This wine comes from the dry, rugged Central Ionian coast of Calabria, the "toe" of the Italian "boot." Gaglioppo and Greco Nero are the major two grape varieties grown here that stem from Greek origins. Val di Neto was started in 1999 and their 75-acre vineyard is in the production zones of Melissa DOC and Val di Neto IGT.

The name, "Mutro'," comes from the name of the ancient hunting area where Kings used to shoot wild boar.
